PROPERTY SYSTEM

WINDOW ON YOUR ESTATE

Do you have a large property portfolio? If so, SAM7's Prism system can help.

Powered by the Microsoft Dynamics 365 platform, Prism provides a one-stop-shop for managing all repairs, maintenance and statutory compliance.

MEASURABLE BENEFITS

SAVE TIME

Reduce calls and emails by providing Customers, Contractors and your team with real-time access.

FIX FIRST TIME

Increase first time fix rates by sending the right contractor, to the right job, with the right information.

CONNECTED CUSTOMERS

Allow Customers to raise repairs through self service tools, on any device and at a time convenient to them.

WORK SMARTER

Change your property team's behaviour from reacting to problems to proactively managing exceptions.

MAINTAIN STANDARDS

Never miss a test, ensuring your properties stay legally compliant, by automatically scheduling visits.

REDUCE SPEND

Stop paying for repairs that should be covered by warranty or via a recall to a previous order.

REPAIRS

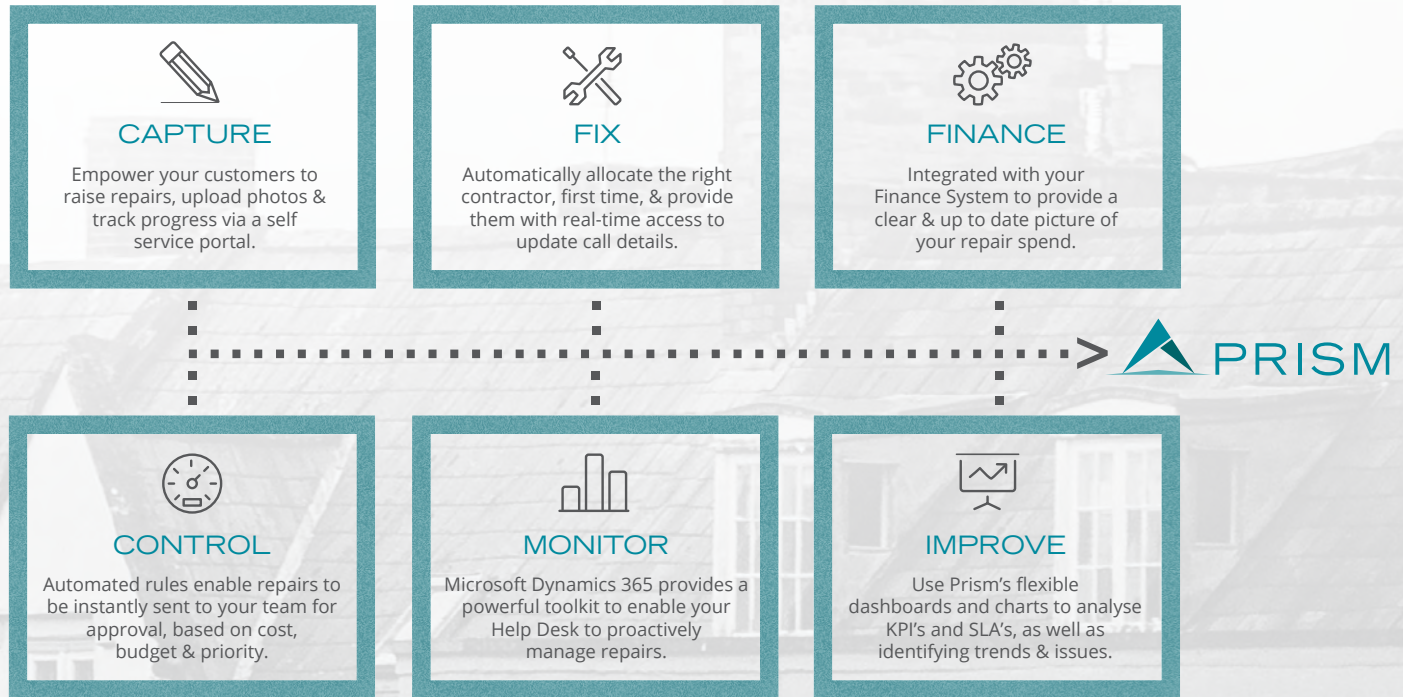

SUPERCARGE YOUR TEAM

Provide your Help Desk and Property Team, as well as Customers and Contractors, with visibility of real time, accurate and consistent information.

Using Microsoft Dynamics 365 and elegant Web Portals, Prism enables all parties to collaborate effectively using streamlined processes.

TAKE CONTROL

Manage all your repairs, from small reactive work through to large quoted works.

SERVICE & COMPLIANCE

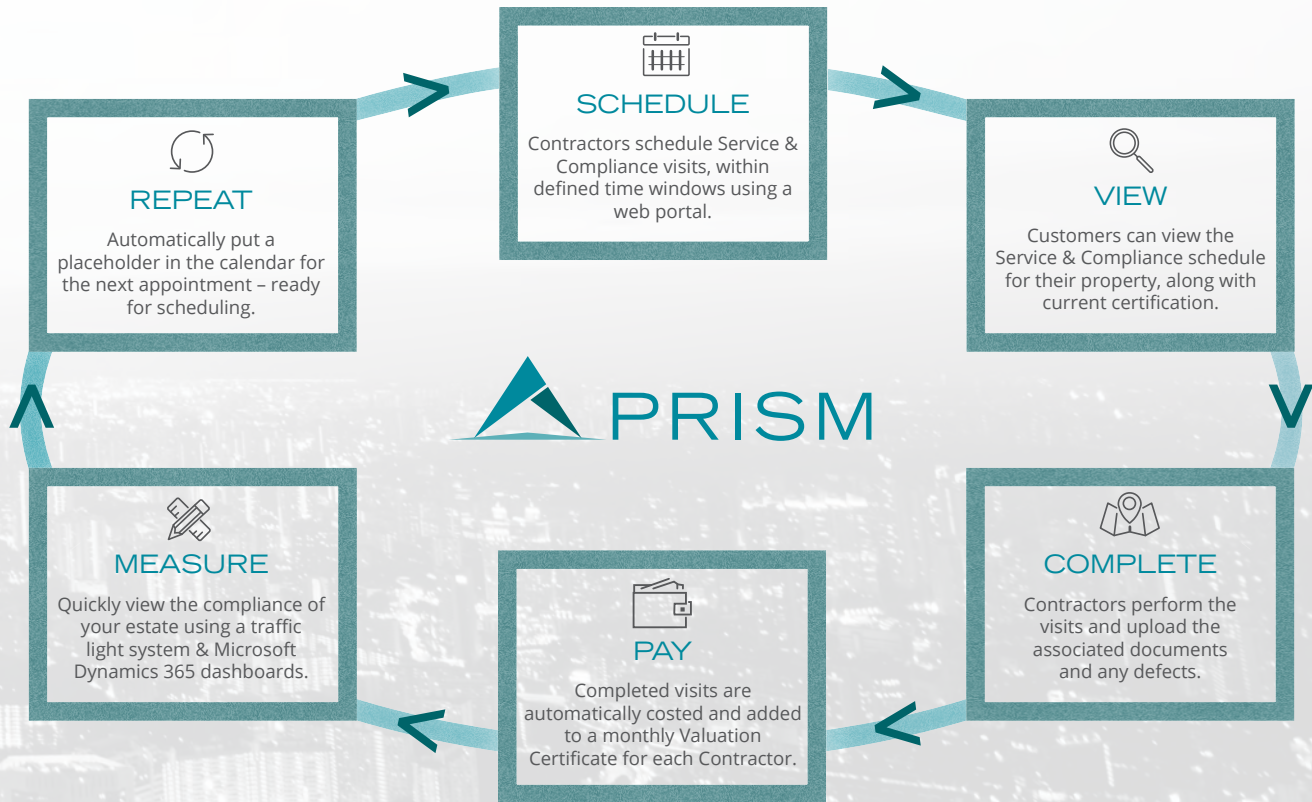

MAINTAIN STANDARDS

Never miss a vital test or maintenance visit again.

Prism takes the worry out of keeping your estate safe and sound.

STAY COMPLIANT

Prism provides a central repository for all your statutory certification and maintenance work.
